

Jamie Lesniak,
Facilities Technician

Trevor Borland,
Owner, Pacific Bolt Manufacturing Ltd.

“ Jamie’s dedication and work ethic has given us the ability to bid on projects we hadn’t considered in the past. ”

inclusionBC

Across BC, there are thousands of job candidates with developmental disabilities and autism spectrum disorder ready to bring unexpected value, great job performance and improved morale across your entire workplace. Talk to Inclusion BC. We’ll help you expand your definition of the perfect employee.

Inclusion BC is a provincial, non-profit organization with 70 member agencies across the province of B.C. The Federation is made up of people with developmental disabilities, their families and the agencies who serve and support them.
